INSPIRING HOPE FOR
A GLOBAL COMMUNITY™

INTERNATIONAL CREDIT UNION DAY

October 15, 2020

Each year we come together to celebrate International Credit Union Day (ICU Day) to raise awareness about what it means for members around the world to have a credit union as their financial partner. This year's global health crisis has been trying for many communities around the world, but credit unions stayed true to their cooperative principles and stepped up during this time of economic uncertainty. Hope is a global resource that everyone has a right to feel and experience. This year's ICU Day theme "Inspiring hope for a global community" reflects how credit unions contribute to a brighter future by providing financial empowerment to people all over the world through financial services, education and support.

Check our website and social media pages throughout October to see how you can celebrate with us!
