IT'S TIME FOR FALL ROAD TRIPS!

Whether you're heading up north for the "fireworks" of red and orange foliage or visiting family for the holidays, it's important to make sure your vehicle is ready to go to get everyone safely to their destination.

Here's a quick checklist:

- **Tires:** Verify inflation levels and check if it's time for a rotation.
- **Air Filters:** Replace engine and cabin filters if they appear gray or black.
- **Lights:** Test headlights and taillights to ensure they are bright and clear.

Stay friendly and safe travels through this fall season!
