A rewarding new experience is coming July 28th!

Dear [First Name],

Reminder: On Monday, July 28th, your new contactless MasterCard credit card from Adventure Credit Union (shown above) will be ready to activate and use.

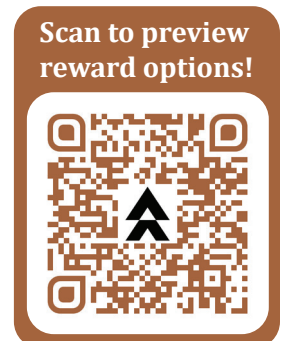

Every purchase with your new MasterCard credit card will earn you points in our *new CU Rewards program!* Just like the old ScoreCard rewards program, points can be redeemed for:

- statement credits
- gift cards
- travel rewards
- brand name merchandise

Rollover: Any points you have accumulated in the old ScoreCard rewards program will be automatically rolled over to our new CU Rewards program, however these points will not be visible or redeemable until September 2025. You can avoid this delay by redeeming your accumulated points through the current ScoreCard Rewards program before July 28th.

Access: Starting July 28th, you can access the new credit card rewards program via the "More Services" link in our Online Banking site or Mobile Banking app.

Questions: Please read the FAQs on our website: qr.adventurecu.org/credit-upgrade. Thanks for your continued support of Adventure Credit Union!
